Rev Up Your Ride For Summer

Summer is all about fun...and budgeting. Whether you need a more reliable car for the kids to drive or one that gets better gas mileage for your family vacation, upgrading your vehicle doesn't have to mean eliminating summer fun.

Whatever your needs are this summer, Genisys can help you finance a new or used vehicle to fit your budget. Or, maybe moving your current auto loan to Genisys in exchange for lower summer payments and extra spending money sounds like a better idea.

Either way, we have **rates as low as 2.49%, 2.99% or 3.49% APR*** for up to 24, 36, or 60 months respectively. So find the vehicle that's right for you, and we'll do our best to find the financial option that's right for your budget.

Apply online at www.genisyscu.org, stop into your local branch or call a Financial Service Representative at (248) 322-9800 or (800) 521-8440, ext. 5.

*Rates subject to change at any time. Rates and terms may vary depending upon credit qualifications, age of collateral, payment protection package, or AutoPay from checking or savings account.

Higher Education Without the Higher Expense

With fewer options for financing college tuition, the process can be both stressful and challenging for families. That's why Genisys has partnered with Credit Union Student Choice to help offer a **private student loan** solution when Federal Aid doesn't suffice.

This student loan partnership allows you to fund those gaps and take advantage of:

- No origination fees
- Lower interest rates
- Line of credit up to \$75,000
- Apply only once
- Deferment of principal and interest while in school
- Flexible repayment terms including graduated repayment for two years
- Servicing retained for the life of the loan – never sold

It's easy to see why this student loan program is a smarter way to pay for college. Choose a student loan that's right for you, educate yourself about the financial aid process and learn how to apply at www.genisyscu.studentchoice.org.
