DEBIT MASTERCARD/ELECTRONIC SERVICES AGREEMENT

Revision 3-1-18

- 1. Acceptance of Agreement-** The Credit Union will issue you a Personal Identification Number (PIN) to be used with the Card for electronic fund transfers. Your use of the Debit MasterCard and/or PIN signifies your acceptance to the terms of the Membership and Account Agreement and also signifies your acceptance of the additional terms of this Debit MasterCard Agreement. If you do not wish to be bound by this Agreement, cut the card in half and return the card to the Credit Union. Unless you do so, the Credit Union will assume that you have accepted the terms and conditions of this Agreement as well as your continued acceptance of the Membership and Account Agreement.
- 2. Use-** Use of the Card, the account number on the Card, the PIN, or any combination of the three to make purchases, payment, or cash withdrawals from merchants, financial institutions, Automated Teller Machine (ATMs) or others who honor the Card is an order by you to withdraw funds from your Checking Account and will be treated as though it were a check for purposes of the Account Agreement except that:
 - The Credit Union may charge Card withdrawals to the Checking Account in any order it determines, and if funds are not sufficient to cover the withdrawals, the Credit Union may pay Card withdrawals and dishonor regular checks and/or ACH debits.
 - The Credit Union cannot honor stop payment requests on Card withdrawals.
 - The Credit Union will consider your checking account plus any established overdraft account when authorizing a Debit MasterCard transaction. Current overdraft fees will apply for these transactions. We recommend using Mobile, Online, or Telephone Banking to transfer funds prior to making any purchases to prevent the fee.

You agree that you will not use your Card to withdraw money in excess of your Checking Account balance and established overdraft accounts. You agree to reimburse the Credit Union immediately for the amount of any check or Card withdrawal that it honors which cannot be paid out of Available funds. You hereby agree to authorize the Credit Union to debit any of your accounts to cover your authorized Card withdrawals.

You agree that you will not use the Card or account to make or facilitate any illegal transaction(s) as determined by applicable law. You agree that the Credit Union will not have any liability, responsibility or culpability whatsoever for any such use by you or any authorized user(s). You further agree to indemnify and hold the Credit Union harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from such illegal use.

ATM/Debit MasterCard Withdrawal Limits

The maximum daily cash withdrawal per card by ATM is \$1000. Your daily limit may be lower.

- 3. Availability of Funds:** When using your Debit MasterCard for signature debit transactions, authorized funds will be held in your checking account or in any established overdraft line of credit or share account and will not be available for cash withdrawal, check clearing or other transactions trying to clear your account.
- 4. Responsibility-** If the Debit MasterCard is issued to you and others on a joint account, all Card withdrawals will be binding to all parties on the Account.
- 5. Refusal to Honor Card-** You will have full access to funds on deposit in your Checking Account with the Debit MasterCard unless any of your Credit Union loans are delinquent, in which case the Credit Union will not honor any Card withdrawals. However, you recognize that electronic terminals, merchants, financial institutions and others who honor the Card may not be able to determine your actual available balance. Therefore, the Credit Union is not liable for the refusal or inability of such terminal or persons to honor the Card or complete a Card Withdrawal, or for their retention of the Card.
- 6. Service Fees and Other Charges-** There is no annual fee for the Debit MasterCard. The Credit Union reserves the right to assess other charges and the right to change any charges it may deem necessary in the future. Notification of any such fees will be given as required by law. By use of this Card, you may be subject to other service fees in accordance with the Credit Union's current Fee Schedule. These other fees may include:
 - Transactions at non-proprietary ATM locations (not Genisys Credit Union machines) in excess of 6 transactions per month- \$1.25 per transaction

- A fee may be charged if the credit union pays a re-occurring transaction that takes your account negative.
 - A fee may also be assessed if you use your Debit MasterCard for signature or POS transactions and you have authorized the credit union to use an overdraft service to process the transactions. See our Fee schedule for current amounts.
7. **Limitations on Transfers:** Card limits are established for each account and can be provided by request. For security reasons, there are limits on the number of merchant-based transactions and cash advances permitted within a 24 hour period. If you experience a problem, please contact our office.
 8. **Transaction Receipts:** The monthly statement for the Checking Account will identify the merchant, financial institution or electronic terminal at which Card withdrawals were made, but sales, cash withdrawal, credit vouchers or other receipts you sign or receive cannot be returned with the statement. You should retain a copy of your paper/electronic receipts furnished at the time of the transaction in order to verify the monthly statement.
 9. **Returns and Adjustments:** Merchants and others who honor the Card may give credit for returns or adjustments and will credit that amount to the Checking account. The Credit Union cannot honor stop payment requests on Card withdrawals.
 10. **Additional Charges for Transaction in Foreign Currency and Cross Border Transactions. Currency Conversion Fee:** If you effect or authorize a transaction with our access device in a currency other than US Dollars, MasterCard will convert the charge into a US Dollar amount. The MasterCard currency conversion procedure includes use of either a government-mandated exchange rate, or a wholesale exchange rate selected by MasterCard, as applicable. The exchange rate MasterCard uses will be the rate in effect on the day the transaction is processed. This rate may differ from the rate in effect on the day of the purchase or the date the transaction was posted to your account. A Currency Conversion Fee of .20% will be applied to transactions that are converted from foreign currencies to US dollars. **Cross-Border Transaction Fee:** In addition, MasterCard charges us a Cross-Border Assessment of .90% on each transaction on all cross border transactions regardless of whether there is a currency conversion. For purposes of this section, "cross-border transactions" shall include both (a) transactions initiated in a foreign country which are subsequently settled in the United States, and (b) transaction initiated in the United States but which are ultimately settled in a country outside of the United States. MasterCard's processing rules are incorporated herein, as amended from time to time. The Credit Union will assess these fees to you to reimburse it for the fee it is required to pay for each of your transactions subject to these terms. The Cross-Border transaction fee will be shown separately on your periodic billing statement. The Currency Conversion Fee, if it applies to the transaction, will be included in the transaction amount posted on your statement.
 11. **Use of Card Outside of the United States:** Please notify us at (248)322-9800 x1265 if you will be traveling with your Debit MasterCard outside of the United States. Access outside of the United States may have more limitations than domestic transactions.
 12. **Cancellation:** The Card is the property of the Credit Union and you agree to immediately surrender the Card to the Credit Union upon its request. You shall have the right to cancel the Card and PIN at any time upon giving the Credit Union written notice and by returning the Card to the Credit Union.
 13. **Effect of Agreement:** The Account Agreement as expanded by this Agreement, is the contract which solely applies to transactions involving the Card, even though different terms may be contained on the sales, cash withdrawal, credit voucher or other slips you sign or receive when using the Card, the account number on the Card, the PIN, or any combination of the three. The Credit Union may amend this Agreement from time to time by providing you written notice as required by law. Your use of the Card or account number on the Card thereafter will indicate agreement to the amendments.
 14. **Disclosure Information:** You acknowledge receipt of a copy of this Agreement and a copy of the notice of terms and conditions pursuant to the Electronic Funds Transfer Act. Your liability for unauthorized transactions and the Credit Union's limitations on liability are set forth in this notice.
