FOR IMMEDIATE RELEASE

April 23, 2015 (Pontiac, Mich.) - In conjunction with Earth Day, Sheriff Michael J. Bouchard, along with representatives from Genisys Credit Union, the Alliance of Coalitions for Healthy Communities (ACHC), and the Oakland County Health Division joined together to kick-off the newest Operation Medicine Cabinet™ prescription drug drop-off location in Oakland County at the Sheriff's substation in the City of Pontiac.

Additionally, the remaining five Sheriff's Office substations in Addison Township, Lyon Township, Oakland Township, Oxford Township, and Springfield Township are also now Operation Medicine Cabinet™ drop-off sites thanks to the support of our generous sponsors Genisys Credit Union, North Oakland Community Coalition, and the ACHC.

Operation Medicine Cabinet™ now has a total of thirty-two law enforcement prescription drug drop-off sites around Oakland County, thirteen Sheriff's Office locations, and nineteen other law enforcement agencies sites, all authorized by the Drug Enforcement Administration (DEA). For a full list of Operation Medicine Cabinet™ drop-off sites and the hours for drop-off times, please go to www.oaklandsheriff.com.

"We remain committed to the safety of our seniors, our young people, and the environmental implications of improper disposal of prescription drugs," said Sheriff Bouchard. "Operation Medicine Cabinet provides a convenient way to dispose of expired or unused medications safely. We encourage everyone to use this service who wishes to dispose of medications to get them out of the hands of unauthorized users as well as out of our water supply."
